About the editors

Professor Richard Butler is Emeritus Professor in the Strathclyde Business School of the University of Strathclyde in Glasgow, Scotland.

He has published widely in tourism journals, edited seventeen books on tourism and contributed chapters to many other books. His main fields of interest are in the development process of tourist destinations, and the subsequent impacts of tourism, issues of carrying capacity and sustainability, and tourism in remote areas and islands. He was appointed UNWTO Ulysses Laureate in recognition of his outstanding contribution to, and dissemination of, research knowledge in tourism at the UNWTO 12th Awards Forum in Madrid, 2016.

Dr Wantanee Suntikul is Assistant Professor in in Tourism Policy and Planning at the School of Hotel and Tourism Management, The Hong Kong Polytechnic University, Hong Kong.

Besides teaching and researching, Wantanee has also been involved in several tourism related consultancy projects in Southeast Asia. Her core research interest and expertise are in the political, social and environmental aspects of tourism planning and development, heritage tourism, gastrodiplomacy, and poverty alleviation. Wantanee is also Joint Editor-in-Chief of the journal *Tourism Culture and Communication*.

Acknowledgements

We would like to express our great thanks to our fellow contributors to this volume, not only for their chapters, but also for their patience, support and cooperation throughout the compilation of the book. We hope that they feel their efforts were worthwhile and that we have not abused their patience and good will.

We are also very grateful to the staff at Goodfellow, our publisher, for their assistance in putting the book together, and particular thanks are due to Sally North, who invited us to return to this topic to produce a second volume, and has faithfully and patiently supported us on both occasions.
